Dear Friend,

On behalf of Gilda's Club South Florida, thank you for supporting us with your donation of \$100.00. Your generosity allows us to continue our programs for people touched by cancer.

While many families with cancer will receive the best medical care, many are underserved in another vital area – **support** – someone to talk with who understands – someone just like them who is going through the same thing. The need for social and emotional support is critical to their well being and that is what we offer at Gilda's Club South Florida.

Gilda's Club is the *only* place devoted exclusively to men, women and children touched by cancer, offering a place of hope; a place to join together and build social and emotional support—free of charge.

Gilda's Club could not do what it does without the generous support of a caring community. Thank you again for being a part of the great work of Gilda's Club.

Warm regards,

Shelley Goren
President/CEO

Dear Friends,

Thank you for your generous support of LUNGevity Foundation. Your gift of \$200.00 will contribute to the realization of our vision of a world where no one dies of lung cancer.

In our continuing efforts to serve the lung cancer community, in 2012 LUNGevity launched the Caregivers Resource Center, a powerful tool to help caregivers in their journey dealing with issues surrounding lung cancer. I invite you to take a look at it by visiting our website at www.lungevity.org. LUNGevity continues to grow with our base of community support and your donation will strengthen the impact we can have.

I am eager to hear your story; how did you learn about LUNGevity? With each story shared we can reach even more people with the goal of creating one powerful voice to effect change. Together we can do it.

On behalf of the Board, the Staff, and the people we serve; thank you for your commitment to end lung cancer.

Warm Regards,

Dear Friends,

On 7/27/2012 you graciously gave the American Diabetes Association \$100.00. For this, we are grateful.

If the amount indicated in this letter is less than the total amount you donated, it is because this letter reflects the tax deductible portion of the gift. If you received goods or services from your original donation, that amount has been deducted to give you the total tax deductible portion. An example of a good or service would be paying for a subscription to Diabetes Forecast or paying for a membership to the American Diabetes Association.

The mission of the American Diabetes Association is to prevent and cure diabetes and to improve the lives of all people affected by diabetes. We can advance this mission with the help of generous individuals and corporations and will always be thankful for these gifts.

Because of your gift, the Association has been able to annually fund over \$34 million in research of type 1, type 2 and gestational diabetes. We have also served millions through our educational materials, Web site (www.diabetes.org) and publications. And finally, individuals who have been denied their rights have found an advocate in the American Diabetes Association.

I speak on behalf of those individuals affected by diabetes, our dedicated staff and volunteers when I say thank you for helping us.

This acknowledgment letter verifies your charitable contribution to the American Diabetes Association. No goods or services were provided by the Association in return for this contribution. Please keep this letter as documentation for income tax purposes. If you have any questions regarding your donation, please call (800) 676-4065 x4270 or e-mail us at ServiceCenterCS@diabetes.org.

P.S. If you work for a company that matches its employee's charitable gifts, please complete a request to have your gift doubled or tripled. To see if your employer has a matching gift policy, visit our web site at www.diabetes.org/matchinggifts. Thank you!

Dear Sample Czar, Inc:

Thank you for your gift of \$100.00 received on July 19, 2012 to benefit the Make-A-Wish® Foundation. To illustrate the impact of your generosity and that of your fellow supporters, I'd like to tell you about Louis and his big surprise.

Louis is a brave 4-year-old boy who draws inspiration from his heroes in the Army, especially now as he battles a condition known as Burkitt's lymphoma. Louis' big day arrived and he was elated that his wish to have an Army-themed play set would be granted by Make-A-Wish volunteers. Much to his surprise, another group of very special volunteers marched into his backyard as well – the United States Army Reserve.

He was shocked beyond belief. The people he idolizes the most were in his yard, and playing with him on his new play set! The reservists didn't stop there. They presented Louis with dog tags, a sleeping bag, camouflage paint, a canteen and even a uniform just like theirs. They went out of their way to show Louis that he was one of them.

Louis' spirits were high and his smile was radiant. He tackled the rock-climbing wall and the monkey bars, just as the soldiers do during training. Louis' new friends shared stories about life in the Army as he hunkered down with them in the playhouse tower. The day was not about lymphoma or treatments – it was about Louis, his wish and the promise of the future.

The day of Louis' wish was an important turning point for his parents, too. Their confidence was restored after witnessing the tremendous outpouring of support for their son from total strangers. They saw a renewed fight in Louis and knew that he would use the memories of his special day to fuel his journey to get well.

Louis' parents are not alone. According to 99% of wish parents, the wish experience gives children increased feelings of happiness. The positive state of mind plays a large role in a patient's ability to fight illness, just as donors like you play a critical role in making these positive, reaffirming moments happen every day. Thank you.

Sincerely,

Dear friends at Sample Czar Inc.,

Thank you for your recent donation of \$275.00, which we received on 5/7/2012. The clients, staff and board of directors of TPAN appreciate your support.

TPAN empowers everyone living with or at risk for HIV/AIDS to live open, healthy, and productive lives. TPAN innovates to deliver peer-led support programs and collaborative wellness services and to communicate comprehensive information. TPAN will do so until HIV/AIDS is eradicated.

For twenty-five years, TPAN has relied on the generosity of individuals in our community and beyond. We look forward to your further involvement with TPAN. In honor of our 25th anniversary of service to the community, we're hosting a special event, *The 25th Hour: Celebrating a Quarter-Century of Service*. Please plan to join us on Thursday, October 4th at the Chicago Cultural Center from 5:30-8:30PM for this important event.

Once again, thank you for your generous support.

Dear Sample Czar Inc,

Thank you for your generous contribution listed below. We are honored to be the recipient of this support.

The Pancreatic Cancer Action Network is the national organization creating hope in a comprehensive way through research, patient support, community outreach and advocacy for a cure. We fulfill our mission by funding research grants, advocating for more federal dollars for pancreatic cancer research, providing current and reliable information to patients and caregivers, and by helping individuals and communities work together to raise awareness about the disease. Your commitment and generosity helps us create hope and make a positive impact for all those touched by pancreatic cancer.

Dear Sample Czar Inc,

Thank you for your recent gift of \$100.00 to the battle against cancer. More people are surviving cancer today than ever before and continued advances in prevention, early detection, and treatment promise greater hope for the future. Your donation makes our work possible.

Your generosity is helping us fund new cancer treatment technologies and research, reduce cancer in minority and other medically underserved groups, provide everyone access to free cancer information, and support community programs that help patients and their families cope with cancer.

Thanks to continuing support from caring donors like you, we are working to eliminate cancer as a major health problem. Because of contributions like yours, over a half million cancer deaths have been prevented since 1991. With continued efforts, we hope to prevent more than one million more cancer deaths by 2015, and continue to improve the quality of life for people with cancer.

To learn how we're doing that, how you can get involved, or how we can help you, call 1-800-227-2345 or visit cancer.org anytime, day or night. Thank you again for your ongoing generosity.

Programs and services provided by the American Cancer Society:

Our patient services provide a wide range of emotional and practical support for patients, survivors, their families, friends, and caregivers. Some of our programs include:

1.800.227.2345 – Cancer Information Specialists are available 24 hours a day, seven days a week, to answer your questions about cancer and provide information about local resources and events.

I Can Cope® – These educational classes provide adult cancer patients and their loved ones with knowledge and coping skills to help them navigate the cancer experience.

Reach to Recovery® – Breast cancer survivors provide one-on-one support and information to help individuals cope with breast cancer.

Road to Recovery® – This service assists cancer patients with transportation to and from treatment facilities.

Dear Friends:

Thank you for your generous \$25.00 gift to the AIDS Foundation of Chicago (AFC). Your donation will help support AFC in its work to develop a comprehensive system of HIV-related prevention and care services designed to curb new HIV infections and meet the medical and support service needs of those directly affected.

We pursue our mission by working closely with government partners to maximize the reach of public programs and strengthen HIV-related public policy. We support a network of service providers with funding, technical assistance and training to ensure their activities are well coordinated and responsive to the needs of those most affected. With your help, we raise and distribute public and private funds to support the delivery of essential services, test new ways to reach at-risk populations and galvanize partners in efforts to end the HIV epidemic.

Specifically, your dollars help:

- Expand housing services for low-income people disabled by HIV/AIDS
- Provide evidence-based prevention for at-risk men, women and youth
- Ensure people living with HIV/AIDS gain access to crucial medical and support services through our case management network
- Advocate with local, state and national decision-makers to leverage government in the fight against AIDS

To learn more about how AFC is making a difference in the fight against HIV/AIDS, please read our enclosed annual report or visit us online at www.aidschicago.org. Thank you again for your incredible support of our work and for your commitment to ending the HIV/AIDS epidemic. We cannot do this without you!

Sincerely,

Dear Friends:

Thank you for your very generous support of Housing Works!

Please know that your generous **\$25** contribution received on **5/4/2012** will immediately be put to work in our efforts to restore hope and dignity to people who are homeless and struggling with HIV/AIDS. Please note that no goods or services were provided in exchange for this gift. Thank you!

For 20 years, Housing Works has been at the forefront of the battle against HIV/AIDS and homelessness. Our philosophy embraces a nonjudgmental, comprehensive approach, offering each individual respect in a welcoming environment. We believe that a stable home is an essential foundation for our clients to achieve mental and physical health, as well as political empowerment.

All Housing Works clients are linked to our comprehensive services, which include primary care, job training, nutritional counseling and meals, drug treatment, and HIV prevention education. The variety and depth of our services help create a supportive community that offers substantive assistance and hope for a better future. Please visit our website at www.housingworks.org for the latest information on our progress in the fight against homelessness and HIV/AIDS.

Dear Friends,

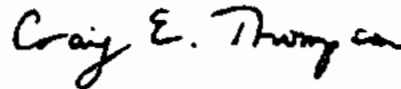

I deeply appreciate your continuing commitment to supporting people with HIV/AIDS. Your gift of \$25.00, which we received on 05/08/12, will go directly toward helping men and women in our community living with HIV/AIDS.

With your support, APLA offers the most comprehensive set of services to people living with HIV disease in Los Angeles County—services like our Necessities of Life Program food pantries that offer nutritious groceries and our APLA Dental Services which provide a full range of dental care.

As the number of people with HIV/AIDS in Los Angeles County increases from year to year, the need for our services also grows. It is only with your support that APLA will be able to reach out to improve the lives of people affected by HIV disease, reduce the incidence of infection, and advocate for fair and effective HIV-related public policy.

Thank you for your continued commitment and compassion for people in our community who need our help. If you are able to make another gift to APLA at this time—or later in the year—I will be truly grateful.

With many thanks,

Dear Sample CZAR, Inc.,

On behalf of the 18,000 people with HIV/AIDS in San Francisco, AIDS Housing Alliance/SF extends our sincerest gratitude for your donation of \$50.00. Your donation will help us continue to respond to the rapidly changing housing needs of people with AIDS and HIV.

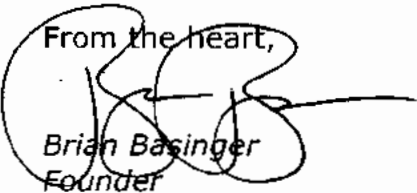

These funds will help us provide life affirming housing services, such as:

- ❖ 550 people with HIV/AIDS and their households will receive Housing Counseling and assistance with affordable housing applications;
- ❖ 105 months of rent subsidies will be provided to prevent homelessness for job training participants;
- ❖ 165 households will receive emergency financial assistance for move-in deposits or back rent funds to prevent eviction;
- ❖ 10 people with HIV/AIDS will receive the dignity of work that provides necessary income to maintain their housing;

We are proud to assist our fellow HIVers in their efforts to protect their rights and maintain their housing. We could not continue to accomplish the important work of AHA/SF without the generosity of people like you.

Thank you so much.

From the heart,

Dear Friends,

Thank you for your donation of \$50.00, which was received on 05-10-2012. Your kindness makes it possible for ActionAIDS to continue to provide a wide range of services to people living with HIV/AIDS in the Philadelphia area.

Since 1986 the ActionAIDS community has been providing vital services to men, women and children infected and affected with HIV disease. The need for high quality, accessible services provided in an environment that is caring and empowering grows every year. Every year in this country over 56,000 people are found to be HIV positive.

Your commitment to ActionAIDS sustains our services and allows us to reach out in new ways to individuals who are in desperate need of services. Please know that you are an essential part of our caring community and that your donation is very much appreciated. Your support makes an enormous difference in the lives of people with HIV disease, as you join us to make sure that "No One Faces AIDS Alone"!

Dear Sir or Madam,

On behalf of the Board of Trustees and staff of Aid for AIDS of Nevada (AFAN), we thank you for your recent donation of \$450.00.

Your support in the fight against HIV/AIDS in our community is deeply appreciated. Your generosity will help AFAN continue to improve the lives of over 4,000 people living in Southern Nevada with HIV/AIDS. Our programs provide assistance that support people living with HIV/AIDS by helping them manage their lives, manage their disease—and give them a better chance of being integrated back into the community, back into the work place, back into lives with a future.

Caring people like you have enabled AFAN to fight HIV/AIDS in our community for 27 years. Only with your involvement and support can we truly continue to make a difference. For information about volunteer opportunities, upcoming special events and AFAN's services please visit our website at www.afanlv.org.

Dear Douglas,

On behalf of the Myelin Project, we wish to express our deepest gratitude for your kind and generous donation of \$300.00. The funds that you have provided our organization will be used **to finance current and future research toward myelin repair in order to combat demyelinating illnesses which affect more than two million people worldwide.**

Gene therapy and stem cell research offer promising new ways to treat and ultimately eliminate these conditions. Researchers are currently engaged in clinical trials of a gene therapy procedure that may offer a cure. The cost is considerable. **Your support is vital.**

See if your workplace offers an employee giving or matching gift campaign. For example, The Myelin Project is currently registered with the Combined Federal Campaign for federal employees. **Ask your employer about workplace giving and/or matching gift campaigns.**

We look forward to great things in the future, and we genuinely thank you for your support in our "Quest for Life." For more information, **please feel free to visit our website at www.myelin.org.**

Greetings:

On behalf of **LIVESTRONG**, please accept our heartfelt gratitude for your generous contribution. Your support and confidence in our work makes it possible for us to relentlessly pursue our mission of inspiring and empowering people affected by cancer.

Today, 28 million people around the world are living with cancer and chances are you know several of them. Cancer affects everyone. In 2010, cancer became the leading cause of death worldwide. That is why our work is so critical and your support so appreciated. Contributions like yours allow us to provide confidential, free, one-one-one support through our navigation services to people like a young girl recently diagnosed with cancer who connected with **LIVESTRONG**. The note we received read:

The information you gave was a windfall for us, we have made contact and are further along now than we have been in the past 3 months. THANK YOU! She is fighting, and fighting like hell.

Share the contact information—LIVESTRONG.org/GetHelp or toll-free at 855.220.7777—with anyone affected by cancer who needs help.

Thank you once again for your support and for believing as we do that unity is strength, knowledge is power and attitude is everything. Together, we will change the way the world fights cancer.

Best regards,

Allison Wright
Director of Stewardship

Dear Mr. Lowell,

On behalf of the NCCN Foundation™, we want to gratefully acknowledge your contribution of \$25.00 from Find a Cure Panel to our general mission.

Your decision to donate these funds is truly appreciated. You may be assured that we will use this contribution in the best interests of patients with cancer and their families who increasingly rely on NCCN for authoritative information about their disease.

The NCCN Foundation seeks to leverage NCCN's strong achievements to reach new audiences with patient-centric education, training, and research initiatives in three key areas:

1. Developing and distributing NCCN Guidelines for Patients™ derived from NCCN Clinical Practice Guidelines in Oncology (NCCN Guidelines™). This critical information will be made available in language understandable by the lay public, and in both hard copy and on-line formats.
2. Developing innovative, evidence-based patient education and training programs on survivorship and quality of life for the millions of people living with a cancer diagnosis.
3. Funding for young clinical investigators, nurses, and innovative research ideas emphasizing survivorship and quality of life.

Again, please accept our gratitude and appreciation for your generosity.

Sincerely,

Patricia J. Goldsmith
Executive Vice President/Chief Operating Officer

Dear Friend,

On behalf of all the members of METAvivor Research and Support, Inc., please accept our heartfelt gratitude for your generous support of our organization. It is through donations such as yours that we are able to provide support for women and men with metastatic breast cancer and to raise funds to change our illness from a terminal disease to a controlled, chronic condition.

We are a growing organization located in Annapolis, MD. Currently, we have over 30 members. On October 10th, we presented two research grants totaling \$75,000. Dr. Alana Welm, a medical researcher at the University of Utah in Salt Lake City, received a \$50,000 grant, and Dr. Andrea Mastro, a researcher at Penn State in State College, PA received a \$25,000 grant. One hundred percent of your donation will go toward our 2012 research grants!

Thank you for helping
to fight breast cancer!

"When I learned I had cancer, I was 22, in school, and had just been crowned MissWest Seattle. Life was great. I was frightened and felt alone. No one in my circle had been touched by cancer. I joined a Dragon Boat crew and while at a race saw a boat with all these ladies paddling away. When I learned that they were Team Survivor Members, I went to their website and joined. When ever I spend time with them there's a sense of camaraderie, understanding, support and accountability I can't get from others in my social network. We are a band of sisters united by a common past, a desire to create an abundant future, and the knowledge that together we can do it."

To Whom It May Concern,

Team Survivor Northwest (TSNW) serves an incredible group of women with one thing in common: cancer. For over 15 years, TSNW has been offering women with any type of cancer diagnosis, at any stage of treatment or recovery opportunities to take an active role in their ongoing physical and emotional healing.

What begins as a question of "Can I do it?" transforms into a statement of "I can do it!" Then the challenges come with more excitement. These women come together as a team - daily, weekly, and for special events like the Dragon Boat Festival, a Triathlon, or Marathon. Each one of them, a testament to who we serve and what we're about; overcoming the odds with gusto! Participating alongside women of all cancer types, fitness levels, and years beyond their diagnosis has an impact. Within a few months these women are reaching beyond their own expectations, building confidence and resolve. It's transformational.

Your donation represents a voice of encouragement and belief that every team needs. You remind us to keep going, enjoy the journey, and believe in what we once thought was impossible. **Thank you!**

Dear Sample Czar Inc,

I would like to thank you for your generous donation to Y-ME National Breast Cancer Organization. Your philanthropic support is incredibly important to sustaining a thriving organization and ensuring our toll-free Hotline is available 24/7 to those who need it most.

Peer support has been and continues to be the core of Y-ME. In the three decades since Y-ME was founded, much has changed about the way we diagnose, treat, and understand breast cancer. But there is still no substitute for speaking to someone who's been there when a doctor tells you that you have breast cancer.

Y-ME is the only place in the world a breast cancer patient – from the day of diagnosis throughout the course of their disease – can call 24/7 and speak to a peer, a breast cancer survivor who understands the physical and emotional challenges breast cancer patients face. For over 30 years, Y-ME has had a single mission – to assure, through information, empowerment, and peer support, that no one faces breast cancer alone.

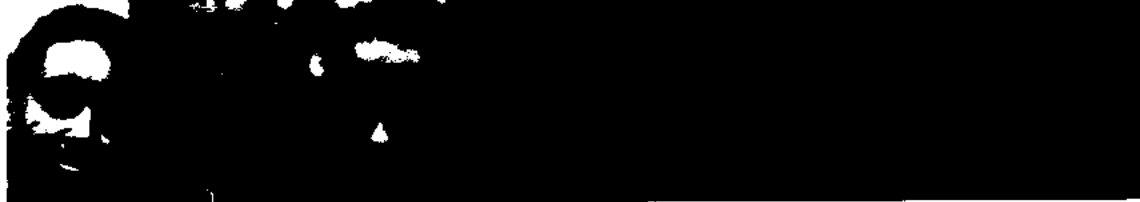

Y-ME National Breast Cancer Organization is a 501(c)(3) organization, making your \$200.00 donation fully tax deductible to the extent allowed by law. This letter serves as your tax receipt.

Thank you for joining us in this mission. On behalf of everyone at Y-ME, I deeply appreciate your support.

Sincerely,

Cynthia Geoghegan

Dear Sample Czar Inc,

Thank you for your recent gift of \$100.00 to the battle against cancer. More people are surviving cancer today than ever before and continued advances in prevention, early detection, and treatment promise greater hope for the future. Your donation makes our work possible.

Your generosity is helping us fund new cancer treatment technologies and research, reduce cancer in minority and other medically underserved groups, provide everyone access to free cancer information, and support community programs that help patients and their families cope with cancer.

Thanks to continuing support from caring donors like you, we are working to eliminate cancer as a major health problem. Because of contributions like yours, over a half million cancer deaths have been prevented since 1991. With continued efforts, we hope to prevent more than one million more cancer deaths by 2015, and continue to improve the quality of life for people with cancer.

To learn how we're doing that, how you can get involved, or how we can help you, call 1-800-227-2345 or visit cancer.org anytime, day or night. Thank you again for your ongoing generosity.

Programs and services provided by the American Cancer Society:

Our patient services provide a wide range of emotional and practical support for patients, survivors, their families, friends, and caregivers. Some of our programs include:

1.800.227.2345 – Cancer Information Specialists are available 24 hours a day, seven days a week, to answer your questions about cancer and provide information about local resources and events.

I Can Cope® – These educational classes provide adult cancer patients and their loved ones with knowledge and coping skills to help them navigate the cancer experience.

Reach to Recovery® – Breast cancer survivors provide one-on-one support and information to help individuals cope with breast cancer.

Road to Recovery® – This service assists cancer patients with transportation to and from treatment facilities.

For more information about these and other helpful programs, call 1.800.227.2345 or visit cancer.org.

Dear Sample,

I am writing to express my gratitude for your support of the Epilepsy Foundation of Northern California. Thanks to people like you, we have advanced issues of critical importance to the epilepsy community, with these results:

- Passage of *California Senate Bill 161* ("the Diastat bill") by the California Assembly authorizing trained non-medical school personnel to administer life-saving emergency medication to students with epilepsy suffering from prolonged seizures - that may have devastating consequences including brain injury and death.
- Our 2011 edition of *Camp Coelho* provided a safe, weeklong residential camping experience in Yosemite National Park for over thirty children ages 9 to 15 with epilepsy. On-site volunteer psychologists, epileptologists and nurses provided medical support 24 hours/day ensuring the safety of nature-oriented activities that increased the children's self-esteem, self-confidence and independence.
- Co-hosting two major conferences: *Taking Charge of Epilepsy* (October at the Palo Alto Sheraton) and *Living with Epilepsy* (November at the San Francisco Kabuki) where hundreds of people, living with epilepsy or caring for persons with epilepsy, learned from leading physicians and researchers about the most modern medical and surgical treatment options.
- Our *School Outreach* program educated hundreds of students, teachers and staff about epilepsy and the importance of being seizure-safe.

We are proud of this year's accomplishments - but we couldn't have done it without your support. Our work continues in our new office in heart of San Francisco, from where we will be better able to serve the Northern California Epilepsy community in 2012.

Please make a tax-deductible gift today to provide critical support for our fight against epilepsy.

Again, thank you for your generosity and happy holidays!

Warm regards,

Michael A. Scott

Dear Friends ,

Thank you for your 2011 contribution of \$300! Every gift has a tremendous impact on our ability to serve breast cancer patients, survivors, families, and friends *right here in our community*. BCRC relies solely on private donations and applies 88¢ of every dollar to provide one-on-one navigation to more than **1,500** women each year as they encounter and overcome the obstacles associated with the devastating diagnosis of breast cancer.

As the region's main provider of patient navigation by professionally-trained breast cancer survivors, we offer practical guidance and help our clients replace fear, anxiety and doubt with information, options and hope. With offices in five area hospitals, BCRC is a valuable resource to physicians and oncologists. At no cost to our clients, BCRC is here to make sure no one goes through breast cancer alone.

We realize in this economic climate, everyone must make careful choices. Your choice to support BCRC means that together this year we can:

- Provide **7,500** hours of Certified Patient Navigation to clients, 30% of whom are minority, underserved, and under/uninsured.
- Provide more than **250** free mammograms.
- Conduct **12** monthly support groups including: *Newly Diagnosed, Survivor, IV League* (Stage IV metastatic disease), *Pink Ribbon Cowgirls* (women ages 20-40), and *Lotus Forum* (women 20-40 with Stage IV metastatic disease).
- Team **50** clients with trained *As Sisters* volunteers to help with light housekeeping, meal preparation, picking up prescriptions, etc. during treatment.
- Conduct education and outreach (including bilingual) about prevention, access to free or low-cost screening mammograms and BCRC services to **7,500** annually.

Generous donations such as yours help us continue to make a difference in the lives of those affected by breast cancer.

Gratefully,

Dear Friends:

Thank you for your gift of \$100 to the Foundation for the National Institutes of Health (FNIH) in support of the Edmond J. Safra Family Lodge.

Since opening in 2005, the Family Lodge has offered a home-like place of respite — free of charge — for families and loved ones of adult patients who are receiving care at the NIH Clinical Center. The FNIH secured the original funding for the building of the Family Lodge and continues support, through gifts like yours, to make guests' stays a more pleasant experience by providing various amenities, furnishings, and for care and maintenance of the Family Lodge and gardens.

The FNIH also offers individuals, foundations and corporations an opportunity to make a difference for public health through scientific discovery and high-impact public-private partnerships consistent with the priorities of the NIH. The Foundation's donors leverage federal resources to bring greater speed, flexibility, and coordinated impact to biomedical research worldwide.

In testament to the FNIH's efficient management of your investment, we have been awarded—for five consecutive years—4-stars by Charity Navigator. Only 5% of the organizations that Charity Navigator rates (over 5,500) can match our record for receiving this top ranking, which recognizes that the FNIH "consistently executes its mission in a fiscally responsible way," and "outperforms most other charities in America."

Thank you again for your gift in support of the Family Lodge through the FNIH. Please know that many guests will benefit from your thoughtfulness and generosity.

Sincerely,

Julie Wolf-Rodda

Los Angeles, CA 90021

Dear Sir/Madam,

On behalf of Team Continuum, I am pleased to acknowledge, with thanks, a generous \$100.00 donation in support of Joi Jackson Perle's participation in the 2011 ING NYC Marathon - PREMIUM Entrants.

Your support enhances our ability to provide immediate, vital, non-medical assistance to cancer patients and their families through out the USA. What we do is quite simple, but has a direct, profound effect on their lives. We pay bills for items not reimbursed by any form of insurance so that families can forestall eviction, have food on their tables, keep their lights on, and fight cancer with a feeling of hope. We also fund health care facilities to enhance the delivery of care, communications and educational services for cancer patients. Presently, included are the nationally acclaimed Narrative Oncology Workshop Program at NY Presbyterian Hospital (in association with Columbia University) and the Cook for Your Life Program for Hispanic breast cancer survivors at St. Luke's Roosevelt Hospital (NYC).

You are invited to learn more about Team Continuum, please visit our web site www.teamcontinuum.net.

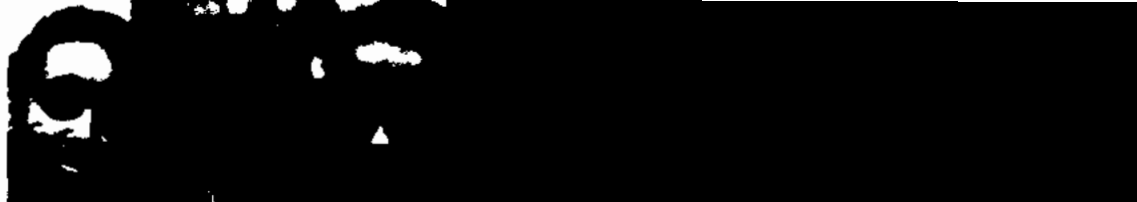

Again, many thanks.

Sincerely,

Letty Simon
Chief Operating Officer

Thank you!

Dear Sample Czar Inc,

Thank you for your recent gift of \$100.00 to the battle against cancer. More people are surviving cancer today than ever before and continued advances in prevention, early detection, and treatment promise greater hope for the future. Your donation makes our work possible.

Your generosity is helping us fund new cancer treatment technologies and research, reduce cancer in minority and other medically underserved groups, provide everyone access to free cancer information, and support community programs that help patients and their families cope with cancer.

Thanks to continuing support from caring donors like you, we are working to eliminate cancer as a major health problem. Because of contributions like yours, over a half million cancer deaths have been prevented since 1991. With continued efforts, we hope to prevent more than one million more cancer deaths by 2015, and continue to improve the quality of life for people with cancer.

To learn how we're doing that, how you can get involved, or how we can help you, call 1-800-227-2345 or visit cancer.org anytime, day or night. Thank you again for your ongoing generosity.

Programs and services provided by the American Cancer Society:

Our patient services provide a wide range of emotional and practical support for patients, survivors, their families, friends, and caregivers. Some of our programs include:

1.800.227.2345 – Cancer Information Specialists are available 24 hours a day, seven days a week, to answer your questions about cancer and provide information about local resources and events.

I Can Cope® – These educational classes provide adult cancer patients and their loved ones with knowledge and coping skills to help them navigate the cancer experience.

Reach to Recovery® – Breast cancer survivors provide one-on-one support and information to help individuals cope with breast cancer.

Road to Recovery® – This service assists cancer patients with transportation to and from treatment facilities.

For more information about these and other helpful programs, call 1.800.227.2345 or visit cancer.org.
