Dear Friend,

Your generous gift of \$100 in November 2016 will help St. Jude Children's Research Hospital in our mission to save the lives of children like Cheyanne. Precious Cheyanne was diagnosed with a deadly brain cancer called medulloblastoma at just 5 years old, and St. Jude doctors placed her on a treatment plan of radiation therapy and chemotherapy to try and save her life. And thankfully, Cheyanne is now cancer-free!

Families like Cheyanne's will never receive a bill from St. Jude for anything -- not for treatment, travel, housing or food -- because we believe all a family should worry about is helping their child live. Your support gives hope to innocent children like Cheyanne and Lexi, the little girl pictured above. Thank you for caring and God bless your good heart.

For the children,

Marlo Thomas

P.S. As a special thank you from the children and families of St. Jude, please accept this festive holiday ornament. We hope you think of the St. Jude children when you display it this holiday season.
