

Dear Douglas,

Thank you!

You are helping deliver life-saving cures to patients in need of a blood stem cell transplant. We are deeply grateful for your generosity and commitment to saving lives.

If you have given your gift in honor or memory of a loved one, you can [send an eCard](#) as a simple yet thoughtful notification.

You can double the impact of your gift! You may be able to double or even triple the size of your original gift. We encourage you to visit our [Employer Matching Gift Finder](#). By entering your company name in the search you will see if your employer offers a matching gift benefit to employees or family members. If your employer is in the database, select it. You will see your company's specific instructions for submitting a matching gift.

Once again, we thank you for your support.

Sincerely,

Joy King
Executive Director
Be The Match Foundation®

IRON DUKES

September 25, 2019

Mr. Douglas A. Lowell
P. O. Box 36156
Los Angeles, CA 90036-0156
Iron Dukes #13436605

Thank you, Douglas!

Your contribution plays a pivotal role in Duke student-athletes' success in the classroom, the community, and in competition. Thank you for your total gift of \$100.00 to the 2019-2020 Iron Dukes Annual Fund. Your support allows us to provide an unmatched education and the Duke experience that transcends a lifetime for all of our student-athletes. Thank you for your investment in Duke's current generation of Blue Devils!

Per NCAA guidelines, you are now considered a representative of the university and are subject to all rules set forth by the NCAA. If you have questions on these rules, please visit www.GoDuke.com/compliance.

Thank you for teaming up with the Iron Dukes and helping us to build champions!

Sincerely,

Jack Winters
Associate Director of Athletics

RE: **Thank you!**

Dear Sample Czar:

On behalf of the Scleroderma Foundation, please accept our most sincere gratitude for your generous gift of \$100.00. As the Foundation is a qualified charity operating under Federal Tax ID #52-1375827, your donation is tax deductible to the fullest extent of the law, as no goods or services were provided to you in consideration of this gift.

The mission of the Scleroderma Foundation is support, education and research. Our vision is to provide support to those affected by the disease and to advance research to find a cure. Your donation will make a meaningful difference for our patients and their families. The Foundation would be unable to serve its mission without the kind generosity of individuals like you.

We would welcome your visiting www.scleroderma.org to learn more about what your gift has made possible. Please accept our most sincere appreciation for your generosity!

Thank you!

Sincerely,

Robert J. Riggs

Sample Czar Inc.
PO Box 36156
Los Angeles, CA 90036-0156

Dear Friends at Sample Czar Inc.,

Thank you for leading the way in the fight against pulmonary fibrosis (PF)! Your generous gift of \$200.00 funds crucial research, increases awareness, and sustains vital programs that help people with PF and their families to live better lives.

The Pulmonary Fibrosis Foundation (PFF) envisions a world without PF. Dedicated supporters like you who share our vision bring us one step closer to achieving it every day. Your gift supports some of our most meaningful programming:

- PFF Patient Communication Center
- PFF Care Center Network and PFF Patient Registry
- PFF Ambassador Program

These important initiatives help patients find excellent medical care and emotional support; fund research to develop better treatments and therapies; and increase awareness and education about the disease.

Your gift is deeply appreciated by the PFF—and by the entire PF community. With your continued support, I know that one day we will achieve our shared vision of a world without pulmonary fibrosis.

Warm regards,

Jake Meding
Annual Fund Manager

PS: Double or triple your gift! To check whether your employer will match your generous contribution, please visit www.pulmonaryfibrosis.org/employermatch or give us a call at 888.733.6741.

The PFF is a 501(c)(3) nonprofit public benefit corporation and your contribution is tax deductible to the extent allowed by law. No goods or services were provided to you in exchange for your generous gift. This letter serves as a valid receipt for tax purposes.

National
Multiple Sclerosis
Society

Thank you!

March 28, 2019

Dear Friend,

Thank you for your generous gift of \$200.00 to help end multiple sclerosis. As a person who cares about the challenges of MS and wants to do something about MS now, your support is deeply appreciated.

With 2.3 million people living with MS worldwide, it's hard to believe that one person's support makes a difference. But rest assured, your dollars are now at work accelerating life-changing breakthroughs that enable people to live their best lives today and that will ultimately end MS forever. Thanks to YOU...

... a worried father was able to call an MS Navigator and get the information and resources he needs to help his son better cope with the challenges of MS.

... a newly diagnosed young mother found support and a caring community to help her feel less alone.

... a husband with shattered career plans found vocational guidance and new job options.

... and we are one step closer to funding research that will STOP MS in its tracks, RESTORE what's been lost and END MS forever.

Your giving means so much to everyone who envisions a world free of MS. Your support could help us make the next breakthrough! I am very grateful for your generosity, and if you'd like to continue your support with another gift today, we included a form below to make that easier.

Sincerely,

A handwritten signature in black ink that reads "Cynthia Zagieboylo". The signature is written in a cursive, flowing style.

Cynthia Zagieboylo
President & CEO

P.S. Thank you again for your generous gift. Together we will Breakthrough MS.

OCRA

ovarian cancer
research alliance

April 23, 2019

Sample Czar
PO BOX 36156
Los Angeles, CA 90036-0156

Dear Friends,

On behalf of the Ovarian Cancer Research Alliance (OCRA) I wish to thank you for your generous gift of \$500.00. We are grateful for your unwavering commitment to our mission and in saving women's lives.

OCRA is leading the fight against ovarian cancer by promoting, funding, and advocating for cutting-edge research as it relates to the causes, prevention, diagnosis, and treatment of ovarian cancer. Your contribution will provide critical financial support allowing us to continue advancing private research, providing programs to benefit women and their families, and advocating on behalf of continued and increased federal research funding.

Thanks to support from generous donors like you, OCRA is making an impact in the fight to eliminate ovarian cancer:

- Over \$85 million has been invested in **private research funding** since 1998, supporting research grants at 73 leading medical institutions.
- Our **Woman to Woman** program, which matches newly diagnosed patients to survivor-mentors, is now in 41 sites across the country.
- **Survivors Teaching Students®** has reached over 11,100 medical students, nurses, nurse practitioners, and physician assistants educating them about diagnosis and treatment, which increases more accurate diagnoses and also encourages more gynecologic oncologists into the field.
- Our **Advocate Leader** program, with representatives from 29 states, has successfully pushed for increases in federal research funding at the National Institute of Health and other federal institutions, as well as expanded membership in the Congressional Ovarian Cancer Caucus.

Again, thank you for your support. Ovarian cancer has claimed too many of our mothers, sisters, daughters, wives, and friends. Every new research grant we award brings us one step closer to a cure and every survivor we reach is one more woman who does not have to face this terrible disease alone. Together we will continue to make a difference.

Sincerely,

Audra Moran
President and CEO

NEW: This year, we are making new efforts to go paperless, where we can! Please make sure we have your updated email address so that you do not miss an OCRA communication, including gift acknowledgement letters. Update your email and email preferences here: ocrahope.org/emails

Thank you for your generous gift of \$500.00 made on 4/8/2019. No goods or services were received in exchange for this donation. OCRA is exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3), Identification Number 13-3806788.

P.O. Box 38156
Los Angeles, CA 90036-0156

Dear Friends,

On behalf of all of us at the Scleroderma Research Foundation, thank you for your generous gift of \$60.00, which we received on March 4, 2019. With your kindness you have demonstrated that scleroderma research matters to you and that you stand with us in our commitment to find a cure.

In 1987, when Sharon Monsky founded the SRF, limited resources were devoted to the field of scleroderma research. Today, as a result of the growing network of supporters like you and the Foundation's efforts, the landscape has dramatically changed. The pace of research discoveries is increasing and industry support to bring new treatment options continues to grow.

Funding the most promising research is our top priority. Investigators from research and clinical powerhouses such as Dartmouth, Harvard, Johns Hopkins, Stanford and UC San Francisco collaborate to accelerate discoveries. **Research is the key** and the end result will be new, more effective therapies for patients.

When asked recently why research matters, the mother of a young daughter with scleroderma put it this way:

"For those suffering with scleroderma, and those of us who love them, research can be described in one word: HOPE."

There are many ways you can put your philanthropy to work and your decision to support the SRF is a tremendous vote of confidence in our program. On your behalf, we will continue to make key grants to outstanding scientists. Thank you for bringing hope to patients everywhere. Your support will help us to pursue a cure with unwavering determination.

Sincerely yours,

Alex Gonzalez
Director of Development

Scleroderma Research Foundation is a 501(c)(3) tax exempt nonprofit charitable organization, incorporated in the State of California. Federal ID #68-0087234.

Your gift is tax deductible as allowed by law. We note for your records that no gifts or services were provided in consideration of this contribution.

Mr. Sample Czar
PO Box 36156
Los Angeles, CA 90036-0156

Dear Mr. Czar:

Thank you for your generous gift of \$200 to support the Dystonia Medical Research Foundation (DMRF) and our critical mission to advance research while providing information and support to all who are affected by dystonia.

The Foundation has been serving the community for more than four decades and we feel strongly that we have a responsibility to the people who have come to depend on us to provide support, education, fund critically important research. DMRF-affiliated investigators are making significant progress toward improving patient care including striking discoveries in dystonia biochemistry, new milestones related to potential drug targets, and testing multiple potential new therapies.

Last year, more than 50,000 people received information from the DMRF and that number continues to grow. To meet that need, the DMRF hosted dozens of education and awareness meetings across the country, in addition to online topical webinars. If you would like to sign up to receive email updates on upcoming programs in your area, please email dystonia@dystonia-foundation.org.

It is a privilege to serve those affected by dystonia and we are only able to do so because of generous people like you. From all of us at DMRF, thank you for your extraordinary support and we wish you all the best in 2019.

With gratitude,

Janet L. Hieshetter
Executive Director

Dystonia Medical Research Foundation is registered as a not-for-profit, 501(c) (3) organization under the Internal Revenue Code, therefore your gift may be tax-deductible. The DMRF's Tax ID Number is 95-3378526. No goods or services were received in exchange for this contribution.

Please note that your gift may be listed in the annual report.

Mr. Sample Czar
PO Box 36156
Los Angeles, CA 90036

Dear Mr. Czar:

Thank you for your generous gift of \$400 to support the Dystonia Medical Research Foundation (DMRF) and our critical mission to advance research while providing information and support to all who are affected by dystonia.

The Foundation has been serving the community for more than four decades and we feel strongly that we have a responsibility to the people who have come to depend on us to provide support, education, fund critically important research. DMRF-affiliated investigators are making significant progress toward improving patient care including striking discoveries in dystonia biochemistry, new milestones related to potential drug targets, and testing multiple potential new therapies.

Last year, more than 50,000 people received information from the DMRF and that number continues to grow. To meet that need, the DMRF has plans to host dozens of education and awareness meetings across the country, in addition to online topical webinars. If you would like to sign up to receive email updates on upcoming programs in your area, please email dystonia@dystonia-foundation.org.

It is a privilege to serve those affected by dystonia and we are only able to do so because of generous people like you. From all of us at DMRF, thank you for your extraordinary support.

With gratitude,

Janet L. Hieshetter
Executive Director

Dystonia Medical Research Foundation is registered as a not-for-profit, 501(c) (3) organization under the Internal Revenue Code, therefore your gift may be tax-deductible. The DMRF's Tax ID Number is 95-3378526. No goods or services were received in exchange for this contribution.

Please note that your gift may be listed in the annual report.

Dear Friends,

Thank you for your gift of \$200.00* to the Leukemia Research Foundation (LRF) in honor of Caleb Worpel.

With the support of donors like you, the Leukemia Research Foundation has been able to fund groundbreaking blood cancer research and conduct critical support programs for blood cancer patients. Your gift helps make these achievements possible!

- This funding cycle, the Leukemia Research Foundation awarded \$1,167,000 in grants to 12 New Investigator researchers from around the world helping to accelerate the development of new treatments and therapies for all blood cancers.
- The Leukemia Research Foundation awarded \$250,000 to Loyola University Medical Center in support of the novel clinical study that will develop the technology to produce more purified CAR T-cells in-house that have the capability of being increasingly effective and less toxic, and reducing the cost for both patients and their payors.
- In addition, the Leukemia Research Foundation's need-based, Patient Financial Assistance Program, and other patient support programs including Kids' Party, Town Hall Meeting, Treatment Options Conference, and Road to A Cure, provided hundreds of patients with information and support on emerging treatments on a complimentary basis.

We also want to assure you that your gift is being spent wisely. The Leukemia Research Foundation has earned a 4 Star rating by Charity Navigator, the highest possible rating from the nation's largest and most-utilized independent evaluator of charities.

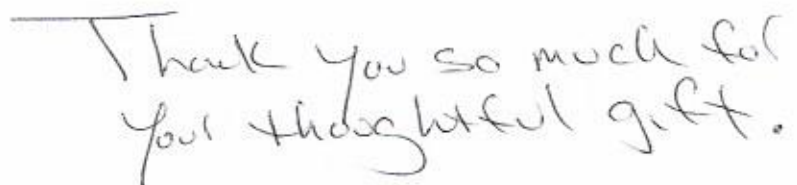

We want you to be an active member of our community. Please visit our website at www.allbloodcancers.org to follow the latest news, view photos from our events, and learn more about the Leukemia Research Foundation's history and impact.

Again, thank you for your continued support.

Sincerely,

Cynthia Kane
Senior Director of Development

Los Angeles, CA 90036-0156

Dear Sample,

For every day of our lives, there is a chance to be great in small and big ways. Thanks to your recent gift, you made a difference in a big way for kids battling critical illnesses. On behalf of our family, we extend our sincere gratitude for your generous support of children like our daughter Harper Jane.

Harper was just days away from turning 3 years old when she was diagnosed with acute lymphoblastic leukemia. The next two and a half years of her life revolved around hospital visits, blood transfusions, chemo, hospitalizations and more shots than any normal, healthy child will see in a lifetime.

And in the same way, Make-A-Wish® became a treatment for our entire family. Harper's wish to go skiing in Colorado was an exclamation point at the end of a grueling course of treatment. Her wish was a part of the therapy used to bring us through this mysterious blood cancer that snuck up on our family and threatened the very life of our youngest child.

Our trip to Colorado was beautiful. Harper was treated like royalty. She had her own ski instructor, and the whole school would shout when she walked into the building, "Harper is here!" She literally skied her little heart out. Harper even got to ride in a sleigh pulled by horses, sing on stage with a real cowboy and ride in a limo. Every step of the way was a celebration for us, a final hoorah against a disease that had overshadowed us for years.

Your gift transformed our lives in a big way. Through your generous support, you helped grant the wishes of more than 15,400 inspiring and courageous children last year. On behalf of wish kids and their families, thank you from the bottom of our hearts for your generosity!

Sincerely,

Kristan and Ed

Dear SAMPLE CZAR,

We are delighted that you have chosen to partner with us in our mission. Seeking to put God's love into action, Habitat for Humanity of St. Charles County brings people together to build homes, communities and hope. You see, just weeks ago, Neri and Sonya received the keys to their forever home.

Thank you for your recent donation of \$200 to Habitat for Humanity of St. Charles County on 11/5/2018. Your gift provides something priceless; it empowers families to build a brighter future for themselves.

To date, Habitat St. Charles has completed 84 safe, affordable homes in our community. Together, we are helping families and individuals achieve their dreams for a more stable life for themselves and their children.

Gratefully,

Nancy Cope

Statement Date 1/21/2019

Sample Czar
PO Box 36156
Los Angeles CA 90036-0156

Dear Sample Czar,

On behalf of the board of directors of Hope & A Future, thank you for your generous support in 2018 and for making a difference in the lives of Arizona foster children. You helped us reach our end-of-year goal so we can serve more foster kids in 2019!

Your total gifts in 2018 were \$200.00.

Your donation qualifies for the Arizona Foster Care Tax Credit under ARS 43-1088. Under the credit, married couples can give any amount up to \$1,000 and single individuals can give any amount up to \$500 and receive the tax credit. Claim the credit by completing Arizona Form 352 (Credit for Contributions to Qualifying Foster Care Charitable Organizations) when you file your Arizona taxes.

Our QFCO Code is 10021. You will need this 5 digit code when you claim the Foster Care Tax Credit.

You or your accountant can download forms, instructions and obtain additional information regarding this tax credit at the Arizona Department of Revenue website at <https://azdor.gov/tax-credits/contributions-qcos-and-qfcos>

Please use this document as a tax receipt for your 2018 donations. If you have questions about this receipt, please contact us at 602-258-5860. Again, thank you for your support.

Sincerely,

Michael Brewer
President

Connecting cancer patients with tomorrow's cures today!

June 21, 2018

Sample Czar
PO Box 36156
Los Angeles, CA 90036-0156

Dear Sample,

THANK YOU so very much for being a **FIRST TIME DONOR** to Lazarex Cancer Foundation. We recognize you have many choices for your dollars. Your choice to generously support Lazarex with **\$200.00** on **6/15/2018** will help us continue to provide direct financial assistance to cancer patients participating in clinical trials for their treatment. Lazarex Cancer Foundation is a US 501(c)(3) non-profit organization and your donation is tax deductible to the extent allowed by law. Our tax identification number is 20-2562494. Lazarex Cancer Foundation did not provide any goods or services in exchange for this gift.

The **SERVICES** we provide are very unique. We help late stage cancer patients, who have exhausted available treatment options, to identify clinical trials that may help them. If they are accepted into a clinical trial then, if needed, we provide financial assistance for their travel to and from the trial. Often it is these travel expenses that stand in the way of patients participating in a trial which could give them the gifts of hope, time and precious memories. In addition, we provide community outreach and cancer education services with a focus on the uninsured and the medically underserved.

If you want to **LEARN MORE** about Lazarex or know of a patient in need, please call us toll free at 1-877-866-9523 or visit www.lazarex.org.

Continue to help us **MAKE HOPE REAL**. Our **You Can Help** recurring gift program provides a source of revenue that we can count on and allows for the planned growth of the number of patients we will financially assist. Your monthly gift will help cancer patients say YES to treatment that can extend or save their lives. Go to www.lazarex.org/donate to sign up.

DOUBLE YOUR DONATION: check if your company matches donations:
<http://www.doublethedonation.com/lazarex.php>

We believe that together we can give the gift of life!

Gratefully,

National
Multiple Sclerosis
Society

Thank you!

April 10, 2019

Dear Friend,

Thank you for your generous gift of \$200.00 to help end multiple sclerosis. As a person who cares about the challenges of MS and wants to do something about MS now, your support is deeply appreciated.

With 2.3 million people living with MS worldwide, it's hard to believe that one person's support makes a difference. But rest assured, your dollars are now at work accelerating life-changing breakthroughs that enable people to live their best lives today and that will ultimately end MS forever. Thanks to YOU...

- ... a worried father was able to call an MS Navigator and get the information and resources he needs to help his son better cope with the challenges of MS.
- ... a newly diagnosed young mother found support and a caring community to help her feel less alone.
- ... a husband with shattered career plans found vocational guidance and new job options.
- ... and we are one step closer to funding research that will STOP MS in its tracks, RESTORE what's been lost and END MS forever.

Your giving means so much to everyone who envisions a world free of MS. Your support could help us make the next breakthrough! I am very grateful for your generosity, and if you'd like to continue your support with another gift today, we included a form below to make that easier.

Sincerely,

A handwritten signature in black ink that reads "Cynthia Zagieboylo". The signature is written in a cursive, flowing style.

Cynthia Zagieboylo
President & CEO

P.S. Thank you again for your generous gift. Together we will Breakthrough MS.

April 8, 2019

Doug Lowell
Sample Czar
PO Box 36156
Los Angeles, CA 90036

Dear Doug,

Thank you so much for your donation of \$750 supporting our programs through the Find a Cure Research Project. Your gift will help us accomplish so much in the coming months.

This past year almost 65,000 women learned the early warning signs of this insidious disease through our BEAT symptom cards. Additionally, more than 300 women attended educational sessions that empowered them to assess their personal genetic risk, explore risk-reduction strategies and seek proper medical attention for the best outcome.

These initiatives are reducing the incidence and mortality rates of ovarian cancer and enriching the lives of women and families who are impacted by this disease. We hope you share in our dream that one day ovarian cancer screening becomes a routine part of every woman's annual gynecologic exam.

We are very grateful for your support and hope you continue to take an interest in our activities. Please visit our website and LIKE our Facebook page for the latest information on how we are rising up against ovarian cancer.

Sincerely,

Joi Ponder
Development Specialist

Your gift may be processed through Birdies for Charity. If you do not wish for your gift to receive a 5% - 10% match, please call us at 309-794-0009. As a 501(c)3 charity, this letter is the official acknowledgement of your gift. Our tax ID number is 26-2976159. No goods or services were provided in exchange for this contribution.
