Dear Mr. Lowell,

On behalf of LUNGEvity Foundation, thank you for your generous contribution. Your donation of \$1,850, received August 12, 2015, brings us closer to the day when no one dies of lung cancer.

Your donation is helping to bring new hope to people with lung cancer and their families. By supporting LUNGEvity Foundation, you are supporting groundbreaking research into early detection and new therapies that fight lung cancer more effectively while preserving a better quality of life for those affected by the disease.

LUNGEvity brings together world-class scientific minds, passionate advocates, and a strong national grassroots movement in the fight against lung cancer, the number-one cancer killer in the United States. Together we can change lung cancer's destiny—and the lives of the one in 15 Americans who will be diagnosed with the disease in their lifetime.

Thank you so very much.

Warm regards,

Carol E. Perline

Dear Friend of Heart,

August 4, 2015

At the American Heart Association, we want people to experience more of life's precious moments. It's why we've made it our mission to build healthier lives, free of cardiovascular diseases and stroke. Why do we do what we do? Life is why.

Your recent gift of \$100.00 is making a critical difference by helping more people to experience those moments that bring special meaning to their lives. Your generosity allows the American Heart Association to fund cutting-edge scientific research, programs to improve the quality of care in hospitals, CPR training, advocacy for legislation to improve school lunches, and much more.

None of the work we do would be possible without your vitally important support. Life is why. Thank you again.

Sincerely,

Nancy Brown
Chief Executive Officer

P.S. Please consider this letter your receipt. For your tax purposes, our federal tax identification number is 13-5613797, and we confirm that the American Heart Association did not provide any non-incidental goods or services in connection with your donation.

Dear Friends at Sample Czar,

Thank you so much for your generous donation of \$100 in support of First Descents.

Your donation supports FD's ability to provide life-changing outdoor adventures to young adults impacted by cancer. Thanks to your generosity, First Descents will serve more participants, empowering them to climb, paddle and surf beyond their diagnosis, while connecting them with others doing the same.

We are incredibly grateful, but it is our participants who are most impacted by your support. We think their words capture our gratitude best:

"Thank you so much for enabling me to participate in one of the most meaningful weeks of my life. People sometimes say I am a 'hero' for having cancer - but I don't see it that way at all...the real heroes are the folks like you, who have gone out of your way to make programs like this possible. Thanks to you and First Descents, I have come to appreciate the power of community spirit. This experience will change the way I live."

To learn more, please visit our website at www.firstdescents.org. Thank you again for believing in and generously supporting our mission.

Sincerely,

Ryan O'Donoghue

Dear Friend,

Thank you for your recent gift to Harvesters—The Community Food Network. Because you choose to give, hungry families, children, seniors and individuals across northwestern Missouri and northeastern Kansas will have enough to eat even in the heat of summer.

Children like Mikayla are so grateful for your support. Ever since her mom, Tammy, was seriously injured on the job a couple years ago, it's been hard for her to keep their kitchen cabinets stocked – her limited disability checks only go so far. Now that it's summer and Mikayla can't rely on school meals in the cafeteria, she's at serious risk of hunger.

Thankfully, your gifts mean there's help for Mikayla and her mom. Because you choose to give, Tammy can visit the food pantry at St. Paul's Episcopal Church in Kansas City to pick up stable foods to keep their table full, including fresh seasonal produce. Most recently, the family was thrilled to receive cabbage, apples and oranges.

Tammy is so grateful to have your help providing for her and her daughter, "Thank you!" she says. "This food helps us out so much."

With your help, Mikayla and thousands of other children at risk of missing meals will start school this fall focused and prepared to learn. Thank you for your commitment to fighting hunger.

Dear Robert,

Thank you for your recent gift to Children's Cancer Research Fund.

It's impossible to put a price tag on the valuable aspects of life: health, hope and happiness. Your gift will help us invest in life-changing research and improve childhood cancer treatments to help children survive and thrive. Children like 2-year-old Danica, who is undergoing a 2 1/2 year treatment plan for acute lymphoblastic leukemia. Because of your donation to support breakthrough research, she has the hope of a full and happy life.

Your gift will help us provide seed money to the best and brightest researcher, bringing us closer to finding a cure and giving hope to families like Danica's.

When you have a child with cancer, it's important to "never lose hope" notes Kim, a parent who lost her daughter Cecelia to cancer. Hope is the fuel that drives families affected by childhood cancer to live in the present and look forward to the future.

Thank you for being a beacon of hope and helping us move toward a world without childhood cancer.

Dear Gwen,

A lung cancer diagnosis is the start of a long and difficult journey, but because of caring people like you, patients and families are not alone. Thank you so very much for your generous donation to the Bonnie J. Addario Lung Cancer Foundation (ALCF).

Your donation helps us to empower, educate and support those living with lung cancer, ensuring that our programs and services are accessible and available free of cost to all. Your support also helps fund cutting-edge clinical research that will lead to new treatment options. And through our national events, you are joining with us to raise awareness about this disease that takes more lives annually than the other top five cancer killers combined.

Every month when we **BRING HOPE HOME** through our Lung Cancer Living Room Support Group sessions, we see your donation in action. In this open forum top physicians and researchers share up-to-date information and answer questions on diverse topics (early detection, treatment options, personalized medicine, genetic testing, clinical trials). From our living room in San Carlos, CA to homes worldwide via Ustream, these interactive sessions let patients and families tap into sharing and caring at a critical time in their lung cancer journey.

Our 145-page **Patient Handbook** -- Navigating Lung Cancer: 360° of Hope -- is another way your support makes a difference. This first-ever comprehensive guide specifically devoted to addressing the needs of lung cancer patients is a living document (in print, on-line, as an app) with on-going updates to include the latest advancements in care.

Whether newly diagnosed, experiencing a recurrence, or stable, patients and their families still need support. As THE patient-focused voice relentlessly working to increase the survival of people worldwide, ALCF is on a journey to make lung cancer a chronically managed disease by 2023, and ultimately, a curable disease. We are honored, grateful, and inspired to have you on the journey with us. Together we can and must achieve this goal. Many thanks!

Dear Friends of Save the Children,

Thank you for your recent donation of \$100.00. Your generosity will help children in the U.S. and around the world every day, in times of crisis and for our future.

Last year, you helped us directly reach more than 55 million children in the U.S. and around the world with health, nutrition and education programs, emergency response, child protection – and more. Your support makes it possible for us to provide what every child deserves and ensures that they have the best chance for success.

- Thanks to donors like YOU, Save the Children directly reached 11.8 million people including 5.8 million children affected by humanitarian crises around the world including armed conflicts, natural disasters and the Ebola outbreak in West Africa.
- Thanks to gifts like YOURS, our health programs directly reached 15.6 million children by providing lifesaving treatment for diseases, giving special attention to poor and vulnerable communities.
- With YOUR help, we directly reached 11.8 million children around the world with our education programs.

But those are just a few examples. Because you care, girls and boys can have a healthy start, the opportunity to learn and protection from harm so they can grow into productive, engaged citizens. By transforming children's lives now, we can change the course of their future and ours.

If you'd like to continue your support with another gift today, we've included a return envelope to make it easier.

On behalf of all of those girls and boys whose lives you've helped change, thank you!

Sincerely,

Carolyn Miles
President & CEO

Dear Sample Czar Inc,

Thank you for your recent gift of \$100.00 to the battle against cancer. More people are surviving cancer today than ever before and continued advances in prevention, early detection, and treatment promise greater hope for the future. Your donation makes our work possible.

Your generosity is helping us fund new cancer treatment technologies and research, reduce cancer in minority and other medically underserved groups, provide everyone access to free cancer information, and support community programs that help patients and their families cope with cancer.

Thanks to continuing support from caring donors like you, we are working to eliminate cancer as a major health problem. Because of contributions like yours, over a half million cancer deaths have been prevented since 1991. With continued efforts, we hope to prevent more than one million more cancer deaths by 2015, and continue to improve the quality of life for people with cancer.

To learn how we're doing that, how you can get involved, or how we can help you, call 1-800-227-2345 or visit cancer.org anytime, day or night. Thank you again for your ongoing generosity.

Programs and services provided by the American Cancer Society:

Our patient services provide a wide range of emotional and practical support for patients, survivors, their families, friends, and caregivers. Some of our programs include:

As I go down this new path in my life called Tina's Place a retreat for "Melanoma cancer patients", one I never, ever thought I would be on. I can't help but be amazed at all the people that have been placed in my path. I am thankful for the chance to run Tina's Place and to all the people that surround and support it. Today I would like to thank you for supporting us.

Our 3rd annual golf outing held on May 30, 2015 was the most successful outing to date for us. With your support we raised awareness, passed out educational information and raised a record amount of funding.

Last year we shared Tina's Place with nine wonderful families. This year we shortened the families visit for 2015 to accommodate more families. We currently have 13 families booked for 2015.

On behalf of every family that has been and will continue to be touched by Tina's Place I would like to personally thank you for your support.

Dear Friends,

Thank you to Sample Czar for its recent donation to the American Sexual Health Association. We're proud to be going strong in our second century, thanks to your support for ending stigma and promoting a sexually healthy nation.

ASHA believes that all people have the right to information and services that support optimum sexual health across the lifespan. Your donation of \$100.00 makes it possible for us to deliver facts, support, and in-depth information about sexually transmitted infections and sexual health.

And that support really makes a difference. Every day we receive feedback that our work is having an impact, like this email we recently received:

"When I got herpes, I called the ASHA STI help line and was able to talk to someone who understood what I was going through. They helped me realize that I shouldn't beat myself up for catching a common virus – just like I'm not embarrassed about getting a cold! Thank you, ASHA, for offering information and reassurance."

In addition to supporting individuals with specific questions, your donation helps get our message of "Sexual Health – No Shame, No Silence" to a broad audience of medical providers, health clinics, community organizations, policy makers, and the public. Thank you for keeping this conversation going. Together we are creating a world where sexuality is viewed as a normal, healthy, and positive aspect of human life.

Dear Manager,

We cannot say **thank you** enough to convey our gratitude for you and your generous gift of \$100.00 on behalf of the FACP donation per Sue Mixon and supporting the Atlanta Free to Breathe event on July 9, 2015. Your donation is moving us closer to our goal of doubling lung cancer survival by 2022!

YOU are helping to fund high-impact, groundbreaking lung cancer research that has the best chance to save lives. In 2015, we're unfolding a new \$600,000 grant program that will fund research focused on stopping the spread of lung cancer. This research will result in a clinical trial with the hopes of leading to new treatments for patients.

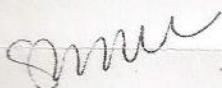

YOU are building momentum behind a Clinical Trial Innovation Prize competition that will help double the number of patients who participate in clinical trials. Clinical trials are the only way for treatment options to reach patients, yet only 3% of patients enroll. Our Innovation Prize has the potential to change these statistics – and we couldn't launch this program without thoughtful contributions, such as yours.

YOU are helping us reach our goal of providing over 23,350 patients with our patient materials in 2015. These free education resources empower those touched by lung cancer, while providing a greater understanding of their diagnosis and treatment options.

We're getting closer to living in a world where surviving lung cancer is the expectation, not the exception. And we couldn't get there without YOU!

Thank you for your commitment to changing the future of lung cancer.

With heartfelt thanks,

Sherie L. Reinders
Chief Operating Officer

Dear Sample Czar, Inc.:

Thank you for supporting the life-saving work of Boston Children's Hospital with your \$100 gift (received on 6/2/2015). You help ensure every child who seeks our care receives it.

Children's never turns a child away, regardless of a family's ability to pay or the complexity of illness. And when there's no known treatment for an illness, we relentlessly pursue one. That's why Boston Children's remains one of the world's top pediatric health centers, consistently finding new and improved ways to treat and defeat disease—and making Children's the place for hope.

Thanks, again, for partnering with us to provide hope to sick kids.

Sincerely,

Sandra L. Fenwick
President and CEO, Boston Children's Hospital

P.S. As required by the IRS, please be advised that your entire contribution is tax-deductible; no goods or services will be received in return. Please keep this acknowledgment as your receipt for tax purposes. If you have any questions about this donation, please contact Aura Guir at 857-218-3165 or aura.guir@chtrust.org.

Dear Sir or Madam,

Thank you for your generous and thoughtful gift of \$300.00 on Monday, April 13, 2015 to Breastcancer.org, a 501(c)(3) tax-exempt, publicly supported organization.

Your donation helps Breastcancer.org to continue offering our services at no cost. With your help, we strive to empower our visitors to manage their care with confidence so they can make the best decisions for their lives.

People affected by breast cancer need a safe place to go for relevant, timely, and understandable medical information so they can prepare themselves for conversations with their doctors and make the most of every moment. In addition to information, we provide a network of community and support that has helped countless individuals through their diagnosis, treatment, and recovery.

Thank you again for your donation and for helping to make a major difference in the lives of the nine million people around the world who rely on Breastcancer.org each year.

Most sincerely,

Marisa C. Weiss, MD

Dear Mr. Ellis,

Thank you for your generous donation of \$400.00 to the Melanoma Research Foundation (MRF).

The melanoma community is experiencing a time of stark contrasts. We have seen six new drugs approved in the past three years, and optimism is at an all-time high. At the same time, diagnoses are growing at an epidemic rate and is one of the fastest growing cancers worldwide. This year, nearly 80,000 people in the United States will learn they have melanoma. That's the entire population of Somerville, Massachusetts. Or Troy, Michigan. Or Buena Park, California. Imagine an entire town—mothers, fathers, children, friends and lovers—all diagnosed with the deadliest form of skin cancer.

In times of change, the right investment to the right effort can make a tremendous difference. Your donation now has a clear and undeniable impact on real people. The critical funds raised help the Melanoma Research Foundation increase research grants, support patients and their families, and educate the general public about this deadly disease. With your help, the MRF has been able to support several new distinct initiatives including pediatric, mucosal and CURE OM, an initiative formed to address and fund ocular melanoma. This progress is made possible by donations like yours.

Working with you, our voice continues to grow. Thank you for your continued support. If you have any questions about your contribution, please contact us at 202-347-9675.

Sincerely,

Dear Friend of the ASPCA,

Welcome to the ASPCA®!

I am writing to express my gratitude for your recent gift of \$200 received on 4/23/2015. You are part of the unique group of people whose concern for animals goes beyond emotion. Through your support of the ASPCA, you are willing to help solve problems that most people prefer to ignore. I can't thank you enough.

You can be proud knowing that your membership in the ASPCA enables us to protect animals from all types of cruelty. In 2014, we traveled throughout the country assisting in anti-cruelty raids, rescuing thousands of animals. It can sometimes seem overwhelming, but thanks to your support of our life-saving programs, these animals were given a second chance.

Your help will also be life changing for animals without a home across the country. During the past year, the ASPCA provided nearly \$14 million in grants to more than 1,000 animal welfare organizations in support of their work to increase pet adoptions, spay/neuter surgeries and medical care. In 2015, we will be expanding these life-saving efforts even further, impacting the lives of thousands of more animals throughout the United States. Remember, you can also help animals in your area by supporting and donating time to your local animal shelter or rescue group.

Because of your support, we will be there for animals and animal care workers who need us. Animals' lives will be saved because you had the foresight to join the ASPCA. On behalf of the animals we serve, I thank you for your care and compassion as well as your dedication to changing the fate of America's homeless, abused and neglected pets.

Sincerely,

Todd Hendricks
Senior Vice President, Development
