Dear caring friend,

Thank you so much for your generous gift of \$500.00 on 10/20/2015 to Wounded Warrior Project® (WWP). I cannot thank you enough for your support of the thousands of truly deserving servicemen and women who have been wounded in our current military conflicts.

Our work begins at the bedsides of injured warriors as they undergo rehabilitation and return to civilian life, but it certainly doesn't stop there. As a result of their injuries, these brave heroes will face greater challenges today finding assistance and jobs that will enable them to provide for their families. Their battle against the long-term effects of combat will continue throughout their lives.

Only with your continued support is WWP able to reach these wounded service members. Through your generosity, WWP provides them with the assistance they need in order to regain their independence and begin rebuilding their lives. You give these injured warriors and their families hope for a brighter future.

Wounded Warrior Project is dedicated to assisting this new generation of injured heroes. These men and women who have served with honor deserve our respect and support. Again, I cannot thank you enough for your partnership with WWP.

Sincerely,

Dear Mr. Lowell,

On behalf of the Board of Trustees, and the women, children and families served by Iris House staff, we are deeply appreciated your contribution of \$50 on October 14, 2015 to support our programs. As you know, Iris House works very hard to Engage, Evaluate, Educate, Enrich and Empower women, men and families infected with and affected by HIV/AIDS. Since 1993, we've been offering services in East Harlem, Central Harlem, South Bronx and recently opened an office in Plainfield, New Jersey. Last year, Iris House served over 5,700 persons through its outreach, testing and onsite services.

Your donation is essential to us being able to offer life savings programs. Programs that we know work: At any point, more than 98% of our clients are connected to appropriate medical care. They are finding pride in their lives; many are living independently for the first time. We help them through periods of food and housing insecurity. Most importantly, we give them space to realize that they can improve their circumstances and the tools and direction to walk down that road. It's not easy for anybody, but we know that the family of Iris House – clients, staff and volunteer army – lives with hope.

Please come and visit Iris House to see how **your support** is making a difference. Also, many of our supporters find it easiest to contribute by making a regular monthly gift – if you'd like to support us in an ongoing fashion; we've included an envelope for your convenience, or call Kimberly Richardson, Coordinator of External Affairs at 646-548-0100 x221 to set up a recurring gift or to make an appointment for a tour.

From the bottom of our hearts, thank you again for your donation and empowering our clients to be healthy and contributing citizens of our city.

Sincerely,

Greeting

On behalf of all of us at Cascade AIDS Project, thank you for your donation of \$50.00. Your gift makes a real difference toward our mission to prevent HIV infections, support and empower people living with or affected by HIV, and eliminate HIV-related stigma and health disparities.

Last year alone, CAP touched the lives of nearly 30,000 people through housing, vital support services, and HIV prevention and education. These included people such as Jason, who came to us knowing he was HIV positive, but who couldn't get medication and didn't have a place to live. We found Jason* medical treatment and a home, and now he's looking for work with the help of CAP's Working Choices program. While testing for HIV at a domestic violence shelter, we diagnosed Rosa with HIV, then connected her with medical care she could afford and helped her talk to her children about the virus. These are just two examples out of many.

While much progress has been made, much remains to be done. Through it all, CAP continues to lead our community's response to this crisis on the front lines, just as we have since 1983. We couldn't do it without supporters such as you.

Again, thank you for your support. You have made a difference!

Sincerely,

On behalf of Back2Back and the orphaned and vulnerable children we serve around the world, "Thank You!" Children like Sravan are directly impacted by your generosity as they receive the physical, spiritual, educational, social, and emotional care they need. I hope you'll put his picture where you can be reminded that your gift makes a *real* difference in the life of a child.

Dear Douglas,

Thank you for choosing to support the important work that SAA undertakes every day. Your generous contribution of \$100.00 will be put to work effectively and responsibly, funding the programs and services that our constituents have come to rely upon.

For more than 30 years, the Spondylitis Association of America has been at the forefront of spondylitis research, education and advocacy. We could not have gotten there without the generosity and commitment of people like you, people who share our vision of leading the quest to cure AS and its associated diseases and to ensure that no one has to face these diseases alone.

If you have questions or comments about any aspect of SAA's work, please email me at diann.peterson@spondylitis.org or just pick up the phone and call. Dear Friends,

In the spirit of the season and "giving thanks," please accept my sincerest appreciation for your support of **\$50.00**, on behalf of all of us at AIDS Resource Center Ohio (ARC Ohio). Because of you, ARC Ohio remains the state's premier, community-based, nonprofit provider of a comprehensive, coordinated, and cutting-edge response to HIV. By supporting our mission and our life-changing work, you are giving thousands of individuals renewed hope and something to be thankful for—their health and their future.

Our mission is to lead the fight against HIV/AIDS through awareness, advocacy, and care. Thanks to your generosity, you have empowered ARC Ohio to:

- Support **64 youth at Camp Sunrise**, Ohio's only summer camp for youth impacted by HIV and AIDS.
- Become the state's leading provider of **PrEP (pre-exposure prophylaxis)**—a once-daily pill proven to be up to 100% effective in preventing HIV infection—for **235 individuals**.
- Provide direct medical care to **1,500 patients** through the ARC Ohio Columbus and Dayton Medical Centers and Pharmacies.
- Deliver over **4,000 free HIV antibody rapid tests**, in tandem with evidence-based prevention education.
- Assist almost **5,000 HIV-positive Ohioans** through our Case Management program.
- Achieve a **viral suppression rate of 80%** among ARC Ohio patients, where in the U.S., of the 1.2 million Americans living with HIV, only 30% are virally suppressed.

With your help, we also provide HIV education, leadership training, advocacy, and support throughout Ohio, and have become one of the nation's leading providers of HIV treatment and prevention. Because of wonderful supporters like you, we will become the gateway to good health for those at risk of or affected by HIV/AIDS, and for those seeking a welcoming healthcare home.

Thank you for being a champion of our transformative work!

Dear ASPCA Supporter,

I am writing to express my gratitude for your recent gift to the ASPCA® in the amount of \$100. You are part of a unique group of people whose concern for animals goes beyond emotion. Through your support of the ASPCA, you are willing to help solve the problems that most people prefer to ignore. I can't thank you enough.

You can be proud knowing that your membership in the ASPCA enables us to protect animals from all types of cruelty—including puppy mills, dog fighting rings, hoarding situations and neglect. We've already rescued thousands of animals this year from some of the most deplorable conditions imaginable. It can sometimes seem overwhelming, but thanks to your support of our life-saving programs, these animals were given a second chance.

Our work never stops, and we are making great progress this year. Our member support allows us to continue to get abused and homeless animals out of harm's way, and placed into the loving homes they deserve. The impact of your generosity is felt every day. Thank you again.

Dear Doug:

Thank you for your recent kind and generous donation of \$100.00 to the Autoimmune Diseases Association.

As you may know, autoimmune diseases affect one in every five Americans, yet the public remains in the dark regarding autoimmunity. The Autoimmune Diseases Association is dedicated to bringing about a national focus on all autoimmune diseases, as well as supporting research into the cause and cure of autoimmunity.

Individual support is very important to us. We rely on the support of friends like you to continue our work toward our goals.

I would like to let you know that AARDA has a tribute program to honor special occasions, memorials, and special thanks. Please consider AARDA when making a tribute donation. For your convenience, we have enclosed an envelope.

Thank you for your active support.

Best wishes,

Virginia T. Ladd
President and Executive Director
