Dear Friends at Sample Czar, Inc.,

On behalf of the National Multiple Sclerosis Society, Southern California & Nevada Chapter, please accept my sincerest thanks for your contribution of \$200 received on 4/28/2010. Your personal support of the Society is extremely important as we strive to create a world free of MS through efforts to discover the cause, advance therapies and ultimately find a cure for this disease. The National MS Society funds more MS research, provides more services to people with MS, offers professional education, and furthers more advocacy efforts than any other MS organization in the world. All of the Society's research efforts and programs and services are made possible by direct support from private donors, corporations, and foundations.

Currently, the Society invests more than \$4.5 million in critical MS research investigations locally. In fact, the National MS Society is the largest private sponsor of MS research in the world, spending approximately \$50 million annually to support hundreds of MS research grants and training fellowships. Since the Society's founding in 1946 its cumulative investment in research has reached over \$868 million.

While the Society continues to search for a cure, your support also helps the Southern California & Nevada Chapter to provide vital programs and services for people with MS and their loved ones living in our local communities. These programs and services include emotional support groups, peer counseling, therapeutic exercise programs, educational and independent living programs, as well as financial assistance for durable medical equipment, respite care and information and referral services.

Your support greatly impacts the lives of the 20,000 people living with MS in our local communities in Southern and Central California and Nevada and the 140,000 family members and friends who love them. We are people who want to do something about MS NOW! Join the movement at www.nationalMSSociety.org/cal.

Sincerely,

Julie Kaufer

Dear Friend,

Thank you for your recent gift of \$200.00 on April 13, 2016. Just as our clients depend on us, we depend on donors like **YOU** to fund work that isn't fully funded by grants, especially social services, civil rights advocacy and many of the innovative initiatives for which we are known.

Your donation allows the Los Angeles LGBT Center to build a better world for LGBT people – one person at a time.

- Did you know we are one of the nation's largest and most experienced providers of LGBT health and mental healthcare? We help LGBT people lead healthier, happier lives by keeping their minds and bodies well.
- Did you know we fight to advance civil rights and freedoms for LGBT people domestically and internationally through education, advocacy and community organizing? We are leading efforts to help end anti-LGBT bigotry in schools and even the thought of suicide among LGBT students.
- Did you know we are ranked as the #1 local LGBT nonprofit in the nation by Guidestar? We are a lean, efficient operation that has earned a 4-star Charity Navigator rating for five consecutive years.

When you give to the Los Angeles LGBT Center you join a diverse cadre of donors all united around a core belief that LGBT people have a fundamental right to be healthy, equal and complete members of society.

On behalf of the entire Los Angeles LGBT Center staff, volunteers, and the thousands of clients we serve each year, thank you for your support.

Sincerely,

Kara Steffen

Dear Friends,

You are an answer to prayer. Your recent gift of \$100.00 helped reach out to suffering families in a desperate hour of need all around the world. Thank you. Right now, so many parents around the world are without work and filled with worry. These struggling families ask and pray, "How will we put food on the table? How will I feed my children?" These are the questions and prayers you help answer.

The food that friends like you helped place on a suffering family's table acts as a bridge to a more hopeful tomorrow. It reminds a hungry child that all is not lost . . . that someone cares. Thank you for being so considerate and may God bless you richly, both now and always.

On behalf of the Brain Injury Network I would like to thank you for your recent donation of \$600 to our nonprofit agency. We could not do our work without supporters like you!

The Brain Injury Network is a peer support organization for people who have sustained acquired brain injuries from such causes as aneurysm, hypoxia, illness, stroke, toxin, trauma (TBI), or tumor. Everyone on our Board of Directors is a survivor of some kind of acquired brain injury. Our Board meets quarterly to decide on our policies and direction.

We find that the basic human safety-net needs of people with brain injuries are important for their health and general well-being, indeed, sometimes their very survival. These needs include food, shelter, and access to medical care. We emphasize this on our website.

We operate online private, vetted, and moderated peer support social communities. We publish advocacy statements to educate the public

Dear Mr. Ellis,

Thank you for your generous donation of \$100.00 to the Melanoma Research Foundation (MRF).

The melanoma community is experiencing a time of stark contrasts. We have seen six new drugs approved in the past three years, and optimism is at an all-time high. At the same time, diagnoses are growing at an epidemic rate and is one of the fastest growing cancers worldwide. This year, nearly 80,000 people in the United States will learn they have melanoma. That's the entire population of Somerville, Massachusetts. Or Troy, Michigan. Or Buena Park, California. Imagine an entire town—mothers, fathers, children, friends and lovers—all diagnosed with the deadliest form of skin cancer.

In times of change, the right investment to the right effort can make a tremendous difference. Your donation now has a clear and undeniable impact on real people. The critical funds raised help the Melanoma Research Foundation increase research grants, support patients and their families, and educate the general public about this deadly disease. With your help, the MRF has been able to support several new distinct initiatives including pediatric, mucosal and CURE OM, an initiative formed to address and fund ocular melanoma.

This progress is made possible by donations like yours.

Working with you, our voice continues to grow. Thank you for your continued support. If you have any questions about your contribution, please contact us at 202-347-9675.

Sincerely,

Timothy Turnham

Because of you, we can continue to provide a warm, safe and nurturing temporary home for the animals at our shelter until their forever home is found.

We are so fortunate to have you as a donor. Thank you for investing in our organization. Your generous gift will go to good use and will make a big difference in the lives of the animals we serve. Your donation helps us to continue to provide food, shelter, medical care, spay/neuter services, foster care and adoptions outreach for our animals.

In the second half of 2015 we began implementing shelter intervention programs to prevent loving pet owners from having to give up their animal to the shelter. Thanks to these programs, in just a short period of time, we saw a 13% decrease in our intake numbers! In addition, in 2015 we had a 75% live release rate, which is a 5% increase over 2014. This number includes adoptions, lost pets reunited with their owners, and transfers to rescue groups. All of this is possible thanks to our generous friends like you! And we will work hard to continue reducing our intake, while also saving more lives!

The Humane Society of Harford County is not part of Harford County Government or the Humane Society of the United States. We are an independent nonprofit organization that relies on the support of the community.

All it takes is one person to make a difference in a shelter animal's life. Today, that person is you! On behalf of all the animals in our care, thank you so much for your support. We couldn't continue our work without you.

We verify that no goods or services were sent in return for this contribution. This letter will serve as an official tax receipt of your donation. Your gift is tax deductible to the fullest extent of the law.

Dear Manager,

Thank you for being a hero for lung cancer. You may not be able to scale walls or soar through the sky like the heroes from storybooks and movie screens, but your superpowers are no less awe-inspiring. Your generosity is saving lives and changing the future. True heroes make the world a better place, and we want you to know that **you** are making this world a better place for all those touched by lung cancer.

Because of your FACP donation per Mary Henningfield of \$100.00 on June 3, 2016, thousands of patients are able to receive the education materials they need to make sense of their diagnosis, learn about their treatment options, and feel empowered throughout their lung cancer journey.

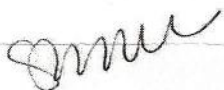

Your kindness is helping us fund over \$1.2 million of groundbreaking research in 2016, including two new grant programs focused on stopping the spread of the disease and removing barriers to clinical trials. This research will save lives, and it's made possible because of you.

You are helping over 15,000 people connect at over 40 fundraising events across the country. Not only are you making it possible to raise awareness and educate others about lung cancer, you are giving patients, survivors, caregivers, and loved ones a place to find courage and strength, and pay tribute to their own lung cancer heroes.

You are helping to save lives. You are giving people hope. You are having an impact.

And that makes you a hero in our book.

With heartfelt thanks,

Sherie L. Reinders
Chief Operating Officer

Dear Sample Czar Inc:

I write many thank you letters, and taking a few minutes to thank a friend who makes PVA's programs and services possible is always a pleasure.

Perhaps the best way I can thank you for your recent gift of \$100.00 is to tell you what your gift does. Your support helps restore the lives of veterans who are paralyzed by spinal cord injury or disease, men and women who have given far more in service to our country than they ever bargained for.

Your care and support makes great things possible for PVA members and many other Americans with disabilities. I hope that you will continue to share in our triumphs, for they are yours as much as ours. Thank you again for being a true friend to America's Paralyzed Veterans.

Sincerely,

Sherman Gillums, Jr.
Acting Executive Director
